

Ordering Process

To order and setup the Cell Line Identification process follow these simple steps:

Step 1

Call DDC on **+44 203 301 7346** to get started and/or download the Order Form PDF from **www.dna-bioscience.co.uk**.

Step 2

Complete the Order Form and fax to **+44 208 563 1858**.

Step 3

Carefully follow the Sample Shipping Instructions, and send samples to:

DNA Diagnostics Centre
Attention: Cell Line ID
Britannia House
11 Glenthorne Road
London
W6 0LH

Step 4

You will be notified upon sample arrival and receive a due date.

Step 5

Once the testing is completed, your results will be sent by your preferred method(s) .
